Portfolio

Professional Summary

Operations & Administrative Specialist with 10 years of experience architecting scalable backend systems, optimizing multi-regional workflows, and supporting executive-level environments across corporate and UHNW estate recruitment sectors. Known for a rare blend of **technical precision**, **elite discretion**, and **high-touch operational support**. Specializes in eliminating administrative friction, securing database integrity, and designing proactive scheduling logic that anchors fast-moving founders, executives, and global teams. Trusted to build clean, repeatable operational infrastructure that enhances decision-making, protects time, and maintains high-integrity systems at scale.

Core Competencies

Operations & Workflow Optimization: Workflow Design & Optimization | Process Mapping | Friction Reduction | Scalable Infrastructure | HR Operations | Payroll & Benefits Administration | SLA & KPI Compliance | Remote Operations Management | Audit Support | Risk Awareness & Mitigation | SOP Development | Process Automation | Cross-Functional Alignment | Operational Governance

Systems & People Operations: ATS Management | Loxo | SAP SuccessFactors | Oracle PeopleSoft | CRM Management | ServiceNow | ServiceDesk | People + | Resource Onboarding | Lead Generation

Education

Bachelor of Science in Electronics and Communication Engineering, June 2002 – September 2005 (Undergraduate)

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES, METRO MANILA, PHILIPPINES

Work Experience

Administrative Assistant (Contract)

November 2025 – Present

KOOKING LLC, INDEPENDENT CONTRACTOR (REMOTE)

- Manage email operations and administrative workflows using Google Workspace, Loxo and Canva.
- Maintain high-integrity candidate databases in Loxo and ensured real-time accuracy across remote operations.
- Create professional chef profiles using Canva for UHNW client presentations.
- Generate targeted leads via LinkedIn Sales Navigator, send InMails to leads with buyer intent signals, and coordinate introductory calls for the founder.
- Manage end-to-end contractor and client onboarding in Gusto while maintaining strict data integrity and overseeing accurate, timely payroll processing for all contractors.
- Oversee operational invoicing using Square, and financial integration to QuickBooks Online – to maintain clean, audit-ready records.
- Manage website maintenance such as accessibility compliance audit, where I deployed custom JavaScript code injections in Squarespace from third-party tools like AudioEye – for seamless auditing and optimizing site accessibility without disrupting frontend performance.

HR Virtual Assistant

November 2025 – June 2026

WING AI TECHNOLOGIES INC., INDEPENDENT CONTRACTOR (REMOTE)

- Assisted Founder/CEO in organizing candidate pipeline using Google Sheet, with links to resume, references and standardized candidate profile for client presentation.
- Organized candidate documents in Google Drive for quick access.
- Created standardized candidate profiles using Google Slide and Canva for client presentation.

Talent & Culture Consultant / Subject Matter Expert (SME)

February 2024 – September 2025

ANZ - AUSTRALIA NEW ZEALAND BANK, PHILIPPINES

- Managed complex HR and payroll administrative cases and database maintenance across AU, NZ, IN, and PH.
- Ensured 95% accuracy in policy-aligned documentation and regulatory compliance.
- Facilitated training sessions for new hires, increasing team capability by **20%** in quality case management.
- Conducted **200+** quality audits, identifying data integrity gaps and implementing corrective coaching.

Talent & Culture Consultant

June 2017 – February 2024

ANZ - AUSTRALIA NEW ZEALAND BANK, PHILIPPINES

- Delivered tailored administrative consultations across AU, NZ, IN, and PH, improving stakeholder satisfaction by **20%**.
- Managed and resolved **10,000+** inquiries through precise email management and HR system navigation.
- Coordinated cross-functional teams to deliver policy-aligned resolutions, reducing response times by **30%**.
- Optimized workflows and pipeline management strategies, reducing processing backlogs by **20%**.

Client Operations Officer

January 2016 – June 2017

ANZ - AUSTRALIA NEW ZEALAND BANK, PHILIPPINES

- Managed high-volume client communications for ANZ Singapore, maintaining a **90%** first-contact resolution rate.
- Streamlined escalation processes through accurate data entry and cross-department coordination.
